1. Offer. An Order is the offer of the Purchaser to buy Products from the Seller. Each Offer of the Purchaser is open for acceptance by the Seller. Each Offer is firm and may not be changed or revoked at any time before acceptance or rejection by the Seller.

2. Acceptance of Order and Contract formation. The Seller accepts an Order as soon as the first of the following occurs: (a) the Seller informs the Buyer in writing that it accepts the Order in part or completely; or (b) the Seller Delivers the Products the subject of an Order, in part or completely. The Seller reserves the right to accept each Order in whole or in part or to decline an Order. Where Products Delivered are part only of an Order, the Terms of Sale shall apply to the Products Supplied. Acceptance of an Order by the Seller is expressly limited to the Terms of Sale contained in the Credit Application executed by Purchaser or the Terms of Sale last advised as applying by the Seller, being the Terms of Sale. No variation to the Terms of Sale shall become part of Contract, unless assented to in writing by the Seller. The terms or provisions in, or of, any Order shall not vary the

Terms of Sale in any way. As each Order issued by the Purchaser is subject to acceptance by the Seller, a Contract will only be formed when the Seller has accepted the Purchaser's offer to buy pursuant to this clause.

3. Non-Cancellation of Orders. An Order for Products submitted by Purchaser and accepted by the Seller shall not be subject to cancellation, and if Purchaser attempts to cancel or refuses to accept Delivery, the Seller shall be entitled in addition to all other remedies afforded to the Seller to recover the full sale price from Purchaser.

4. Price and Payment. Prices for the Products shall be the list price for the Products as at the date of acceptance of the Order unless otherwise agreed in writing by the Seller. Invoices for Products shall contain the following information, where appropriate: Order number, item number, description of the Products, quantities, and unit prices. All supporting papers, including bills of lading and express receipts, shall accompany invoices. Invoices shall be forwarded upon shipment or completion of Supply. Payment will be due 30 days following the date of invoice. Payment for the Products shall constitute acceptance thereof. The Seller reserves the right to vary prices from time to time at its discretion and without notice.

5. Taxes and Expenses. The Purchaser shall be responsible for all sales, consumer, use and other similar taxes and any other expenses resulting from exchange rate fluctuations, custom charges, shortages or such other costs or expenses imposed on the Seller for the Supply of Products are not included in the price and shall be the responsibility of Purchaser or, where the payment of the expenses is the legal responsibility of the Seller, the price shall be increased by the amount of such expenses. Any increase in the amount of the expenses between the date of any quotation and the date of Delivery of the Products shall be the responsibility of Purchaser and the price shall be increased accordingly and debited to Purchaser's account (if any).

6. Deliveries. The Products shall be Delivered at no additional cost to the Purchaser to the destination indicated on the Order unless otherwise specified in writing. All packaging will meet the commercial standards of the Seller and accepted industry practices to ensure against damage to and for full protection of the Products. Purchaser shall be responsible for all demurrage and shall be solely responsible for unloading, checking and storage of the Products covered by each Order. Time is not of the essence with respect to Supply of the Products.

7. Inspection on Delivery. Purchaser must immediately upon receipt of Products inspect the Products to determine whether the correct type, quantity and package sizes of the Products have been Delivered. Purchaser by acknowledging receipt of Products is expressly undertaking that they have inspected the Products and the Products are in good order. Failure to notify the Seller of any potential claim will be taken to constitute a waiver of any such claim that could, but for this clause, have been made against the Seller unless the Seller's negligence can be clearly demonstrated at a later date.

8. Product Warranties. The Seller expressly warrants that all the Products Supplied conform to the Specifications, upon Delivery. All conditions and warranties on the part of the Seller implied by law in relation to the Products Supplied by it are excluded to the maximum extent permitted by law and the provisions contained in these terms of Sale shall

No waiver of any provision of these Terms of Sale shall be valid unless such waiver is in writing and signed by the Seller.

11. Title. Until Purchaser has paid all monies owed to the Seller then ownership of the Products sold by the Seller to Purchaser under the Terms of Sale remains with the Seller, and Purchaser: (a) shall hold the Products in its possession or that of its employees or agents, as bailee of The Seller; (b) if any of the Products are sold by Purchaser then such sale shall be as an agent for The Seller and Purchaser shall hold the proceeds of sale on behalf of the Seller and shall pay them to the Seller on request and any agreement by the Seller to extend credit to Purchaser or any other indulgence shall not affect Purchaser's liability to account to the Seller or the ownership of the material by the Seller; and (c) shall if the Seller so requires, agree to store the Products so as to show clearly that the Products are the Seller property and shall keep the Products fully insured at Purchaser's own expense and shall hold the proceeds of any insurance claim in respect of the Products (to the extent of Purchasers indebtedness to the Seller) in trust for the Seller; and (d) upon any default by Purchaser to pay any amount due to the Seller, Purchaser irrevocably authorises the Seller by its employees or agents to enter any premises owned, leased or otherwise occupied by Purchaser, any agent or associate of Purchaser for the purpose of taking possession of the Products and hereby authorises the Seller by its employees or agents to use all reasonable force to obtain such possession.

12. Passing of Risk. Notwithstanding anything in the Terms of Sale, risk in the Products passes to Purchaser upon Delivery of the Products by the Seller to Purchaser, its employees or agents.

13. Interest on Overdue Money. Purchaser shall pay to the Seller interest at the rate of 2% above the HSBC Limited indicator rate from time to time on all monies not paid by Purchaser to the Seller on a due date and such interest shall be calculated on daily rests from the due date for payment.

14. Clear Funds. Receipt of a cheque, other negotiable instrument by the Seller shall not constitute payment and Purchaser shall remain liable for the full agreed price until such cheque or negotiable instrument is paid in full.

15. Default Payments. Without prejudice to any other rights available to the Seller, Purchaser shall be liable for any legal or other collection costs on overdue accounts.

16. Privacy Information. Purchaser acknowledges that: (a) all information provided by it or obtained by the Seller will be held by the Seller subject to Purchaser's right (if any) of access to and correction of such information provided by any law; (b) information relating to the Terms of Sale may be disclosed to a credit reporting agency. Such information may include the fact that Purchaser has applied for credit with the Seller, any overdue payments which are in collection and cheques or other negotiable instruments that have been dishonoured; and (c) the Seller may request from a credit reporting agency, or any financial institutions or credit providers whose names are given to it, or whose names are included in a credit report about Purchaser, credit information about Purchasers commercial finances. Purchaser permits such institutions to provide such information to the Seller. In particular, Purchaser consents to the Seller obtaining and receiving such information for the purposes of approving any application of Purchaser for credit from the Seller. Purchaser also acknowledges and agrees that information about its financial and commercial affairs may be transferred confidentially within the Seller and any of its associated or related corporations worldwide, and that the Seller may be legally obliged to disclose such information to others. If the Seller is so obliged, pursuant to an appropriate authority, the Seller will use its best efforts to notify Purchaser at the last known address known to the Seller prior to disclosure.
